

Our ministry is to be the best resource for our members to realize their financial hopes.

What sets CommonRoots apart from other financial institutions?

Easy answer - we do!

A few of things we do and offer that set us apart:

- Staff personally handles the phone calls that come into the office (with the exception of our Visa phone number)
 - We love to celebrate milestones in the lives of our members - birthdays, graduations, family, weddings, births, adoptions, etc.
 - We choose products specifically based on members needs and to help realize financial hopes.
 - Our Visa Credit and Visa Debit card has 24/7 customer support in case of loss of card or fraud. These calls are not handled by staff but by our VISA partner. Some much larger credit unions do not have after hours assistance.
 - The staff works hard to solve any issues that may arise.
 - The staff works to personally provide our members with the best financial path for their success

UPDATES are continuing in the online/mobile banking and Visa Online Access systems. You will be able to view updates in your online banking messages. Thank you for your patience as we improve your online credit union experience.
