

## School report card time

Celebrate and build your savings.

### Follow the steps below:

1. Open an account at CommonRoots FCU – applications available on web site [commonrootsfcu.com](http://commonrootsfcu.com) or call 888-972-0797 to activate carrier pigeon  
(if you already have an account, proceed to number 2).
2. Go to school 😊 Preschool, k-12, college, grad, tech school.....
3. Work hard, study hard, do your homework, and learn lots  
(do not be distracted by pigeon).
4. Get your report card – electronic or paper  
(don't let the dog eat it, that will upset the pigeon)
5. Send it to CommonRoots FCU – snail mail, email, fax, carrier pigeon  
(you only have 45 days)
6. Deposit into your account – snail mail (no cash, check only), picture deposit, transfer from Mom, Dad, Grandparents, Aunts or Uncles account  
(carrier pigeon is not trained for this).
7. CommonRoots FCU will match deposits into your account according to the following: A - \$1.00, B - \$0.50, C - \$0.25 (up to a total of \$5.00)  
Relax (only for a moment, we don't want the pigeon to fall asleep) and repeat!
